Re: Proposed annexation to the City of Arcadia, Annexation No. 19, South Argadia Uninhabited

Dear Miss Van Maanen:

At the meeting held on August 26, 1959, the County Boundary Commission reviewed the boundary description and map submitted by your City Attorney, James A. Nicklin, with his letter of August 10, 1959, of the proposed annexation of territory to the City of Arcadia.

The boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership except for one arbitrary cut easterly of Lenore Avenue.

Upon recommendation of the County Engineer revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very *ruly yours
